MANUFACTURING DEFECT PROTECTION

Comprehensive protection for manufacturers facing product defects, recalls, customer claims, and operational losses

ONE PRODUCT. BROADER PROTECTION.

Traditional insurance products often leave critical coverage gaps between first-party and third-party losses. Sentric Specialty's Manufacturing Defect Protection (MDP) provides all-inclusive coverage designed exclusively to meet the unique risks of manufacturers.

Protecting the Products and Profits of You and Your Customers

FINANCIAL PROTECTION

Protect your balance sheet from costly defect-related losses

CLAIMS DEFENSE

Respond to customer claims, fines, and legal exposure with confidence

OPERATIONAL RISKS

Leverage services built to support the complexities of modern manufacturing

PROTECT YOUR BOTTOM LINE BEFORE A DEFECT BECOMES A CRISIS

Errors & Omissions

Design, engineering, production, fabrication, assembly, packaging, distribution, and more

Adverse Publicity

Coverage for implied defects resulting from publications or public perception events.

Intentional Acts

Protection for intentional defects, including cyber-related incidents

Government Recall

Coverage triggered by regulatory recall actions

Sentric Specialty's Manufacturing Defect Protection aims to bridge the gap between broader first-party and third-party protection compared to traditional standalone manufacturers E&O or product recall policies.
